KASTECH DIFFERENTIATORS

WHY CHOOSE KASTECH?

KEY DIFFERENTIATORS

Kastech's decade long experience across domains, technologies and a flexible customer centric approach differentiate us from our competition.

EXPERIENCE & EXPERTISE

- Readily available highly skilled ERP resources
- Almost 1500 years of collective experience & expertise in leading enterprise applications
- Service delivery based on RRR – Right people in right place at right time

CUSTOMER CENTRIC

- We think beyond what we committed in SOWs; dedicated account management team
- Proactive advisory services and solutions; proprietary tools built to address customer pain points
- Maximum accessibility to key workforce

FLEXIBILITY

- Flexi Pricing models
- Able to provide competitive pricing due to minimal overheads
- Resource as a Service Model (RaaS)

QUICK TRANSITION

- Quick & proven transition methodology
- Cross functional competency building
- A dedicated transition manager to ensure smooth and successful transition

COVERAGE & PRODUCTIVITY

- Strong integration between help desk, L2 and L3 teams
- One team – Single location delivery – onsite is the backup location if needed
- High resource utilization and better productivity with round the clock support; metrics driven
