

# Higher Education Services

## Kastech Background

- Kastech Solutions LLC (d/b/a “Kastech Software Solutions Group”) was incorporated in 2007 in Houston, Texas. Kastech started its journey as one of the most competitive and reliable IT staffing and consulting services providers.
- Today, Kastech has grown to become a \$100+ Million Dollar Company with 1000+ skilled employees across the globe. Kastech is an ISO 9001:2015 certified and CMMI Level III Accredited Company. Our geographical presence is spread across North America, LATAM, MENA and APAC regions.
- Kastech is uniquely differentiated in the marketplace through its trusted client relationships, industry differentiation, global footprint, technology leadership and operational excellence.
- Serving excellence in more than 40 industries across 13 industry groups, at Kastech, everything we do to execute our strategy and deliver our vision comes to life through our people. Kastech is continuously striving to expand and grow by offering the latest technology Solutions, Services, and Resources.
- Kastech offers strategic thinking, as well as the technical know-how, through our skilled consultants globally and support services that could help our clients not only drive and execute their Enterprise initiatives, but also achieve value through this partnership.
